**3. PUBLIC COMMENTS AND DISCUSSION – *Bob Brown***

The public is invited at this time to comment on and discuss any topic that is relevant to, or within the authority of, the Nevada Sesquicentennial Planning Committee. In order for members of the public to participate in the Committee’s consideration of an agenda item, the Committee strongly encourages members of the public to comment on an agenda item during the item itself. No action may be taken on a matter raised under public comment unless the item has been specifically included on the agenda as an item upon which action may be taken.

#### **4. FOR POSSIBLE ACTION –*Bob Brown, Fund Raising lead***

Discussion and possible action on all matters related to Committee fund-raising activities; possibly to include adoption of short, mid and long term strategies for fund-raising and the establishment of benefits tied to donation levels.

#### **5. PUBLIC COMMENT AND DISCUSSION – *Bob Brown***

Public comment will be taken during this agenda item. No action may be taken on a matter raised under this item until the matter is included on an agenda as an item on which action may be taken. The Chair may limit comments to 3 minutes the time an individual may address the Committee. The Chair may elect to allow public comment on a specific agenda item when that item is being considered.
